

Product/Process Change Notifications

PCN - 15 056

Release Date: June 11 2015

Product Name:	Modular Jack		
	Horizontal SMT		
Product Manager:	Michael PAUL		
Subject:	Notification of Planned Change		
Distribution:	General		
Type of Change:	Materials Change		
Change Description:	A new PCT resin will be used in Modular jack Horizontal SMT's instead of current PPA resin. Waterproof packing option given to some parts (-X3X) will be obsoleted and so PN will be replaced by (-X1X).		
Reason for Change:	The new material is found to have lesser chances of blistering and also results in Improvement of MSL Level (MSL1 instead of MSL2a). Qualification tests were carried out to confirm other product specifications are found to be OK. Because of the Improvement in MSL Level , a water proof packing is no longer required, so those part numbers are replaced.		
Affected Parts:	Attached list.		
Effective Date of Change:	September 15, 2015		
Last Time Buy Date:	NA		
Last Disty Return Date:	NA		
Last Time Shipment Date	NA		
Datasheet Attached?	NA		
Qual/Test Data Attached?	Yes		
Samples Availability Date:	June	15	2015
Available Alternatives?	N/A
