

## Product Discontinuation Notice

# 3M™ Four-Wall, Tripolarized Header 810 Series

050" x .100" Latch/Ejector, Right Angle, 4 Rows of Solder Tails

Issue Number: 784

Date: March 21, 2011

## Product Discontinuation

3M is discontinuing production of the 4-wall Tripolarized Header 810 Series with 4 rows of solder tails. Please note that this is not the standard version of the tripolarized header; this is a nonstandard product version that is rarely used. Demand for these products no longer justifies their continued production. Tech sheet TS0334 is impacted by this change.

*\*This list is complete to the best of our knowledge; however, there may also be custom parts that utilize this product as a base. These custom products will also be discontinued.*

## Last Time Buys

3M will offer last time buy opportunities for all parts listed in the table above through May 31, 2011.

## Product Discontinuation Notice

### 3M™ Four-Wall, Tripolarized Header 810 Series, 050" × .100" Latch/Ejector, Right Angle, 4 Rows of Solder Tails

## Replacements

**A direct replacement does not exist for this product.** However, the standard 2-row Right Angle Through-Hole Headers in the 810 product series remain available on TS-0253. These headers mate to the same cable-mount socket (TS-0254; 820 Series), and will serve the same general purpose. However, the customer must determine whether the product is suited for their intended application.

Please note that the PCB mounting pattern will be different for these 2-row headers as compared to the 4-row headers marked for discontinuation in this notice. For dimensions and board configuration patterns, please refer to **TS-0253**.
