Description of change	<p>Edgeport/2 product has two identical part numbers due to its long history. The 301-1000-03 was converted to RoHS first and was the 'international' part, but many years ago 301-1000-02 was converted to be RoHS compliant too. This EOL is consolidating the Edgeport/2 into one ship level part 301-1000-02.</p> <p>301-1000-03 is being discontinued. Please have customers begin ordering the identical 301-1000-02 immediately.</p> <p>This is an ongoing effort to streamline our product offerings to focus on consistent product availability while maintaining our high quality.</p> <p>Standard warranty policy will apply to all LTB purchases.</p>
