

## Microsemi Corporation

May 27, 2016

**Product Discontinuance Notification (PDN) No: 155042**

**Subject: Obsolescence of ZL50001AP1**

### Description:

Microsemi is announcing the discontinuance of the ZL50001AP1 device.

### Reason for Discontinuance:

The decision to discontinue this product was driven by diminished demand and low forecast volumes.

### Customer Impact:

These devices are being removed from Microsemi's product offering and will no longer be available for order after November 23, 2016.

Orders for these products will be non-cancelable and non-returnable. There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

### Replacement Parts:

Replacement part is available as MT8985AP1, which are in 44 lead PLCC package. Please contact your local Microsemi Sales Office or the company web site for more information on these products.

### Last Order Date: November 23, 2016

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than November 23, 2016. No new orders will be accepted after this date.

Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline.

**Last Shipment Date: May 29, 2017**

Please note that Microsemi will continue to ship last-time-buy orders as requested only through May 29, 2017. Product orders must be scheduled to ship no later than this date.

**Products Affected by this Discontinuance:**

ZL50001AP1

Note: This is an Ordering Part Number (OPN) as found in the product datasheet. Customers may track additional part number variants in their systems, so please consider this a base part number.
