## DESCRIPTION AND PURPOSE OF CHANGE:

In order to increase the capability at production site as well as the efficiency of the Automated Optical Inspection (AOI) system, the product marking will be changed.

Products after product change with effective date of 25th August 2016 are available with Date Code 2016-08-01.

There will be no change in form, fit, function, quality or reliability of the product.

## DETAIL OF CHANGE:

The previous colour code marking have been changed to a white colour Ink marking to increase the efficiency of the pick and place at customer process.
