

TECHNICAL DATA SHEET

Part#: 9238SL

Cutters - Small Taper Relieved Head - Laser Flush - Slim Line High precision cutting where accessibility is critical.

The 9238SL five star Lazer Line® small tapered/relieved laser flush cutter has a cutting capacity of .00" - .00" soft wire. It is made of carbon tool steel with induction hardened cutting blades to RHC 63-65. The CNC machining allows the joint surfaces to be perfect to allow for long life. The dual leaf springs provide smooth action. It features molded ergonomic antimicrobial Anti-Static grips (10¹ºohms/sq surface resistivity).
