Product discontinuation

Dear Customer,

Although product lifetime and delivery period at ams AG are longer than at many other suppliers in the semiconductors industry we are sorry to announce that further production of

> AS3977B-BQFS AS3977B-BQFT AS3977B-BQFM

cannot be supported any longer.

Reason for that is that the total demand for products has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of the product.

To make the phase out as convenient as possible for you, we are pleased to offer the following conditions:

Last possible order placement: December 31, 2017
Last shipment: June 30, 2018

Minimum order quantity:

 1 production lot or multiples thereof

Due to possible yield variances a quantity deviation of +/- 10% has to be accepted by the customer for the last time buy. For details please refer to below table.

Product	Minimum Order Quantity
AS3977x	143.000 pcs

For any further questions (e.g. definition of an EOL agreement) please feel free to contact me at any time.

Best regards,

Dr Dietmar Gleispach

ams AG
