Description and purpose of change:

Due to external influences, Wurth Electronics Midcom will change the bobbin plastic material. Dechlorane Plus found in the AM-113 material is in legislation to be banned by the European Union. There will be no change to product dimensions or footprint.

Additionally, in line with internal standardization, Wurth Electronics Midcom will add the bare terminal dimension to the specification sheet. There will be no change to footprint.

Revisions will change as follows:

750370271	6B to 6C	7508170313	6B to 6C	7508170311 6B to 6C
750817014	6C to 6D	750817015	6C to 6D	7508170312 6B to 6C
7508170310	6B to 6C	750817018	6A to 6B	

There will be no change in form or fit of the product.

Detail of Change:

Bobbin material will change from: Sumikon AM-113 E File: E41429 to: WH-9100 E File: E150608 Bare terminal dimension will be added to the specification sheet:

Reliability / Qualification Summary:

Process / Product approval is according to internal requirements released by the Total Quality Department and the Product Management Department.
