

Product Change Notification

TE Connectivity

Product Change Notification: P-21-020763

PCN Date: 16-APR-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Product migration notification

Description of Changes

TE Industrial plans to migrate per May 1st 2021 a portion of the business from the Le Mans facility to the TE Connectivity location in Chassieu, France. As a result the part numbers below will be transferred with new production estimated to start beginning from June 2021. The part numbers below are based on the last two years sales history, a full history from September 2012 is available on request. Should you need any further information then please contact your usual TE Connectivity point of contact.
