

## Key Features

- Embedded Android SOC supports Android apps
- USB multimedia player
- vController software
- Supports HDMI CEC pass-through
- VGA, DVI, USB, IR, RJ45 input compatibility

# Product Description

The ViewSonic CDE5510 is a great value 55" 4K LED presenation display with high-reliability 16 hours per day/7 days a week operating time. A built-in browser offers a convenient method for displaying internet content without a PC. In addition to versatile connectivity options, including HDMI, VGA, DVI, USB, IR, and RJ45, the display comes with a convenient USB multimedia playback function. With 3840 x 2160 resolution, 350-nit brightness with 178-degree wide viewing angles, and 2 x 10W stereo speakers, the slim-bezel CDE5510 delivers vivid images and remarkable sound for superior multimedia performance. The HDMI CEC pass-through support provides one control for multiple HDMI-connected devices while the free-bundled vController software makes remote display management easier via RSS232/RJ45 port. The display also comes equipped with Blue Light Filter technology to create a more comfortable viewing experience.
