

TAIYO YUDEN EST1040 SERIES

Grade 1 AEC-Q200 Qualified Power Inductors

TAIYO YUDEN's most price competitive release of EST Series yet.

TAIYO YUDEN's EST1040 series inductor is the latest in TAIYO YUDEN's line up of EST series AEC-Q200 qualified grade 1 fixed inductors with a footprint of 10.0 x 10.0 x 4.3 mm. Available in inductance up to 470uH and tolerances of 20% and 30%. This fixed inductor is ideal for automotive and industrial

Features:

- Grade 1 AEC-Q200 Qualified
- Size: 10.0 x 10.0 x 4.3 mm
- Available in inductance ranges of 1uH to 470uH
- Available Tolerances: 20%, 30%

Applications:

- Automotive
- Industrial
- Servers: Power Supply Circuits, DC/DC converters
