

Product Change Notification

TE Connectivity

Product Change Notification: P-16-012887

PCN Date: 14-APR-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

40W_NSB_Assy_Change

Description of Changes

A manual assembly line process is being released to supporting the manufacture of the following listed Part Numbers. The manual assembly line process will be released at a TE Connectivity's approved supplier Precision Parts Systems (PPS) located in Winston Salem, North Carolina. The manual assembly process will be replacing the automated assembly process for the listed part numbers, currently located at TE Connectivity, Greensboro NC facility.

Reason for Changes:

Product improvement. Continuous decline in product demand no longer warrants the use of automated assembly. Manual assembly process will be replacing the automated assembly process for the listed part numbers.
