

Product Change Notification

PCN-AS-8048-2022

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
AS - Automation Systems	DRI	Product Change Notification	Notify Distributors and Field	7/25/2022

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification
The LUCHS ASIC is a protocol chip specially developed for AxioLine, which improves data transmission quality, minimizes power consumption (UBus) and makes the module more resistant to environmental influences. The changed products are fully compatible with the predecessor versions.

Stock Status
Can existing stock still be used? Yes
Is mixture of stock acceptable?

Transaction Dates
Date modification goes into effect from Germany: 3/1/2023
Expected first shipment (from Phoenix Contact) of the modified products(s): 3/1/2023

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
