PRODUCT CHANGE NOTICE

PCN 2012-07
October 30, 2012

Product: RSF2 / RSMF3 (Metal Oxide Resistor – 2Watt and 3Watt mini size).

Change From: Bulk package lead length of $32 \pm 6\text{mm}$ (1.26 ± 0.24 inches).

Change To: Bulk package lead length of $34 \pm 4\text{mm}$ (1.34 ± 0.16 inches).

Explanation: Longer lead length provides greater flexibility.

Effective Date: Effective immediately for new production. Some inventory of the previous specification may be shipped until it is depleted.
