Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

Effective October 31st, 2021, Phoenix Contact is discontinuing the following QUINT power supplies and fuse due to the products reaching end of life.

- 2938811 - QUINT-PS-100-240AC/12DC/10
- 2938219 - QUINT-PS-3X400-500AC/48DC/10
- 2938879 - QUINT-PS-100-240AC/24DC/40
- 2908363 - FUSE 25A/32V FKS

Phoenix Contact will continue to ship units until global inventory is fully depleted.

Please consult with your local Phoenix Contact sales engineer if you are affected by this discontinuation. We highly recommend you start the transition to the recommended replacement power supplies. The local sales team can discuss your application requirements with you and help you select a replacement supply based on your needs.

Please note that recommended replacement products may differ in size and features. We appreciate your business and apologize in advance for any inconvenience this may cause.
