Description of Change: The Mosfet wafer plating process for automotive products will move to a new building within the same Laguna Technopark.

Classification of Change: In order to increase capacity Vishay Siliconix has moved the Philippines wafer plating facility in a larger building with the same equipment, same process and same personnel.

Expected Influence on Quality/Reliability/Performance: There will be no effect on performance, quality or reliability and no change to form, fit, or function of the shipped devices.

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.

Vishay Brand(S): Vishay Siliconix

Time Schedule:

Start Shipment Date: Tue Jan 31, 2023

Sample Availability: February 1, 2023

Product Identification: Please see materials list on the succeeding page.

Qualification Data: Data is available upon request

Issued By: Lance Gurrola, business-america@vishay.com
