HANSAW, PACKAGED (POP)

Retractable Saw Set

Cat No: 311

UPC No: 783310131106

Description

- 6 IN blade retracts into the handle for convenience and safety
- Quickly change blade for added versatility
- Accepts most 6 IN (or shorter) standard reciprocating saw blades
- Ergonomically designed handle allows force to be applied both on the push and pull stroke
- Built-in blade storage area can hold 2 additional blades
- Adjustable blade can be used at any length or the 3 hardstops can be used for aggressive sawing
- Jab blade and a bi-metal blade included. U.S. Patent #D527,602.
- Note: This is not an insulated tool
