

Expertise Applied Answers Delivered

Issue Date: November 1st, 2019

Dear Valued Customer,

This notice is to inform you of a site change affecting item(s) you have purchased from Littelfuse.

Description of the Change:

- Part numbers attached to this PCN will be changing their site of final assembly and packaging operations from our Piedras Negras Distribution Center to our Muzquiz Manufacturing Site.
- Parts will be produced with equipment and in work cells duplicated from their current ones.

Reason for The Change:

- The operations affected are similar to those already occurring in the new site. This transfer is in line with our continued efforts to consolidate footprints of common manufacturing types, processes, and ownerships.
- Littelfuse is choosing to invest in equipment duplication, as these processes can still be utilized in our Piedras Negras facility by other products in other business units.

Effective Date of the Change:

• Fabrication and installation of equipment is ongoing; first production from our Muzquiz facility will occur in January 2020 (part number demand-dependent).

What You Need to Do:

- There will be no disruption to your supply of finished goods.
- As no finished good part number will exhibit changes in fit, form, function, or fabrication method due to this initiative, no action is required from you.

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

Zaka Naughter

Zacke Naughton Global Product Manager Littelfuse Commercial Vehicle Products

Joe Plazyk
