RE: Weller WD1MN POWER UNIT, 160W, DIGITAL, (W/O USB), 120V

Dear Valued Customer,

This letter serves as formal notification that Apex Tool Group, LLC (ATG) is discontinuing the production of the Subject product. The product contained in this notice will no longer be manufactured.

ATG is changing the sales status to "Discontinued" effective **March 1, 2023**. The last date for placing orders is **February 28, 2023**.

The substitute product is **WT2M** 150W POWER UNIT 120V B NA

ATG will continue to service and support all products currently in the field, and will also continue to sell tips, consumables, and parts. We anticipate that this support will last for three years.
