Before Change (All Contacts)

After Change (4 and 8 Size CE-HD Contacts)

After Change (12 and 16 Size CE Contacts)

Reason for Changes:

Dear Customer, we hereby inform you of this packaging change. The change is necessary to conform to automotive packaging standards and will provide better protection to parts during transportation. The only change you will notice is the way the product is packaged and total package quantity (see below per contact size). The change follows a certified quality management system in accordance with standard automotive requirements. **IMPORTANT:** The packaging change is being phased in gradually and previous revision can remain stocked until use. Shipments of both packaging may be mixed.
