

## End of Life (EOL) Notification

**Tracking number**

EOL2021/1

**Date**

Friday 13th May 2021

**Products affected**

PE0302-865A CODEC Telecom Evaluation Board

**Reason for change**

CML regrets it has become necessary to withdraw the following product without offering our usual last time buy period. This has come about as a result of one or more components on the board being withdrawn by their respective manufacturer

**Anticipated impact**

CML is not able to offer a replacement/upgraded board once existing stock has been shipped. Existing customer orders will be met on a best efforts basis but full shipment volumes cannot be guaranteed.

**Contact**

For further information on this EOL notification, please contact your local CML Distributor/Representative. Contact details can be found at [www.cmlmicro.com](http://www.cmlmicro.com).
