

Product Advisor (PA)

Subject: Datasheet specification change for listed Renesas RAA229004* Products

Publication Date: 11/11/2020

Effective Date: 11/11/2020

Revision Description:

Initial Release

Description of Change:

This notice is to inform you that Renesas Electronics Americas Inc has updated datasheet.

The update include changes to the following : -

Page 24, Table 4 Power State Command from CPU

- PSIO_L State for PS2 changed from 1 to 0.

Affected Product List

RAA229004GNP#HA0

Reason for Change:

The correction to the datasheet aligns the datasheet with the product characteristics.

Please contact your local sales representative for an updated datasheet.

If you have concerns with this change notice, Renesas Electronics Americas must hear from you promptly. Please contact the nearest Renesas Sales Office.

Impact on fit, form, function, quality & reliability:

The change will have no impact on the form, fit, function, quality, reliability and environmental compliance of the devices.

Product Identification:

Product affected by this change is identifiable via Renesas’s internal traceability system.

Qualification status: Not applicable

Sample availability: 11/11/2020

Device material declaration: Available upon request

Note : Sample is available on 11/11/2020 onwards, and subject to availability. Customer may expect 1-2 months for sample replenishment.

Questions or requests pertaining to this change notice, including additional data or samples, must be sent to Renesas within 30 days of the publication date.
