

Global Change Notification (GCN)

Product Family	zQSFP+	10730795
		GCN Number
Series	Multiple	November 20, 2015
		Date Issued
Reason For Change	New, Modified, Or Replacement Tooling	
Change Description	Molex is building 2 new molds for better production capacity of the Lightpipe and housing component used in zQSFP+ connector. The gating point of the housing new mold will be different from the current mold as shown. Both new molds will be used in production at Molex Singapore Plant. This change will not affect Form, Fit, or Function of the product. The new molds will be internally qualified before using for mass production. Products made in or after Jan 16 will contain components from the new mold.	

Part Numbers Affected	Please refer to CustomerPartList.csv attached to e-mail message.
Reason For Short Notice Exception	New Capacity
Assessment Of Change (How Product Will Be Qualified & Validated)	Molex internal qualification test
