Re: Notice of Product Discontinuation

Cosel has announced the following models are going to be discontinued.

1. Last Date of Order Processing

Orders will be accepted through May 31, 2023.

2. Discontinued Model

Table 2.1 shows the model to be discontinued. The discontinued model also include the parts with options and modifications.

Table 2.1 Discontinued Model

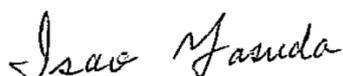

Series	Discontinued Model	Note
STA series	STA5000T	No Replacement

3. Reason for Discontinuation

The demand for STA series has dropped and many components mounted in these products are no longer in production, which makes it difficult for Cosel to keep producing them.
