*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

The head of the pliers has changed. Please see pictures for reference. The length of the cutting area is higher (14 mm) than the previous version (10.5 mm).  
The article name is written on the handle instead of the metal part. The article number is moved to a different position on the head of the pliers and in addition printed on the handle next to the name.

#### Stock Status

Can existing stock still be used?

Is mixture of stock acceptable?

#### Transaction Dates

Date modification goes into effect from Germany: 11/9/2017
